

CALL FOR PAPERS

ICIPACV 2020
Mar 12-13, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIPACV 2020 : International Conference on Image Processing, Analysis and Computer Vision is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Image Processing, Analysis and Computer Vision. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Stereo Vision
3D Shape and Structure Analysis
Motion and Video Analysis
Sensors, Imaging model and Simulation
Pattern Analysis and Classification
Computational and Statistical Methods
Satellite Data Analysis and Interpretation
Image and Video Compression
Content-Based Image Retrieval
Document Image Processing
3D Modeling and Visualization
Image-Based Rendering
View Synthesis

Visual Special Effects
Biomedical and other Applications
Image and Video Processing
Architecture
Animation and Motion Capture
Web Graphics
Image & video coding and transmission
Image & video processing
Image formation
Image scanning, display, and printing
Image & video storage, retrieval, and authentication
Biometrics
Video Surveillance and Monitoring
Color and Texture
