

CALL FOR PAPERS

ICITM 2020
Mar 12-13, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICITM 2020 : International Conference on Innovative Teaching Methods is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Innovative Teaching Methods. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Innovative methods in teaching
Innovative teaching methods
Innovative teaching strategies for teachers
Active learning
Teaching through art
New technologies in teaching

Field research in teaching
Students' involvement in teaching
Teaching with technology
Social media in to education
