

CALL FOR PAPERS

ICNSNI 2020
Mar 12-13, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNSNI 2020 : International Conference on Nutraceuticals, Supplements and Nutraceutical Ingredients is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nutraceuticals, Supplements and Nutraceutical Ingredients. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Recent trends in nutraceutical research

Nutraceutical and functional food products

Functional foods
