

CALL FOR PAPERS

ICOBHDP 2020
Mar 12-13, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICOBHDP 2020 : International Conference on Organizational Behavior and Human Decision Processes is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Organizational Behavior and Human Decision Processes. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Work and Organizational Psychology
Participation and empowerment
Resilience: Individuals and organisations
Individual and/or organisational virtuousness
Social networks within organizations
Positive organisations
Ethical managerial practices
Organizational demography
Shared and distributed leadership
