

CALL FOR PAPERS

ICSIMM 2020
Mar 12-13, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSIMM 2020 : International Conference on Sports Injury and Musculoskeletal Medicine is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sports Injury and Musculoskeletal Medicine. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Musculoskeletal and sports
medicine
Diagnosis, treatment, and
prevention of sports injuries
Prevention and management of
sport-related musculoskeletal
health problems
Musculoskeletal medicine

Neuro muscular medicine
Paediatric rehabilitation
