

CALL FOR PAPERS

ICVMB 2020
Mar 12-13, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICVMB 2020 : International Conference on Veterinary Medicine and Biosciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Veterinary Medicine and Biosciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Infectious diseases and zoonoses
Veterinary pathology
Food safety and food security
Veterinary epidemiology

Nutrition and metabolism of
disease
Veterinary orthopaedics
Neurology
