

# CALL FOR PAPERS

**ICCGE 2020**  
**Mar 26-27, 2020**  
**Madrid, Spain**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCGE 2020 : International Conference on Corporate Governance and Entrepreneurship is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Corporate Governance and Entrepreneurship. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Corporate governance  
Sustainability in corporate governance  
Corporate governance in emerging markets  
Corporate governance in emerging economies versus developed economies  
The role of institutions and national business systems in corporate governance  
Convergence towards best practices versus path-dependence  
Complementarities and substitution among governance mechanisms at different levels  
Regulatory framework, market development and investor protection  
Ownership and control structures and their dynamic evolution

Institutional voids and governance in business groups  
The family-centric governance model and its organizational effects  
The governance of financial institutions and institutional investors  
The governance implications of corruption and bribery  
The role of political connections and relational contracting in governance  
The governance roles of reputation and culture  
The integrity of executives, responsible leadership and business ethics  
State corporatism and the role of the state as a shareholder in emerging economies  
Law, regulation and enforcement
