

# CALL FOR PAPERS

**ICADSO 2020**  
**Mar 12-13, 2020**  
**Miami, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICADSO 2020 : International Conference on Architectural Decoration, Sculpture and Ornament is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Architectural Decoration, Sculpture and Ornament. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Architectural decoration  
Sculpture, polychromy and architectural decorations  
Technology and theory in contemporary architectural decoration  
Construction management of architectural decoration  
Mathematics in art and architectural decoration

The role of decoration in interior design  
History of architectural decoration  
Ornamental art and architectural decoration  
Architectural decoration, design and engineering
