

# CALL FOR PAPERS

**ICBHR 2020**  
**Mar 12-13, 2020**  
**Miami, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBHR 2020 : International Conference on Behavioural and Healthcare Research is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Behavioural and Healthcare Research. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Healthcare services/business,  
economics and ethics  
Healthcare sociology, insurance  
Culture, religion and health  
Human resources and  
education/training  
Innovations in healthcare
