

CALL FOR PAPERS

ICCED 2020
Mar 12-13, 2020
Miami, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCED 2020 : International Conference on Crop Evapotranspiration and Drought is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Crop Evapotranspiration and Drought. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Evapotranspiration
Crop water requirements
Remote sensing
Satellites
Drones
Multispectral
Thermal infrared

Irrigation
Drought
Biophysical modeling
Watersheds
Decision support tools
Soil moisture
