

CALL FOR PAPERS

ICDNEDP 2020
Mar 12-13, 2020
Miami, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDNEDP 2020 : International Conference on Disaster Nursing, Emergency and Disaster Preparedness is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Disaster Nursing, Emergency and Disaster Preparedness. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Disaster nursing	Commitment to public welfare
Critical care nurses	Stabilization and evacuation
Catastrophic event	Psychological stress
Emergency nursing management	Disaster-related stress
