

CALL FOR PAPERS

ICGS 2020
Mar 12-13, 2020
Miami, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGS 2020 : International Conference on Gynecologic Surgery is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Gynecologic Surgery. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Gynecologic Surgery
Minimally Invasive Gynecologic
Surgery
Micro surgery
Vacuum Aspiration

Colposcopy and Hysteroscopy
Uterine Artery Embolization
Uterine Fibroid Embolization
