

# CALL FOR PAPERS

**ICPDM 2020**  
**Mar 12-13, 2020**  
**Miami, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPDM 2020 : International Conference on Periodontology and Dental Medicine is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Periodontology and Dental Medicine. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Preventive dentistry (Pedodontics)  
Oral health  
Oral treatments  
Life style modification  
Diet and nutrition for oral health  
Cavities and tooth decay  
Effect of tooth brush on oral health

Oral health and dental hygiene in adolescents  
Pediatric oral health care  
Preventive dental materials  
Dental materials, properties and manipulation  
Preventive materials, methods and programs  
Comprehensive preventive dentistry
