

CALL FOR PAPERS

ICRMCM 2020
Mar 12-13, 2020
Miami, USA

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRMCM 2020 : International Conference on Rural Medicine and Crisis Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rural Medicine and Crisis Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rural emergency preparedness and response
Rural wellness and prevention
Rural primary care
Rural anaesthetic crisis management
Rural emergency medicine
Pre-Hospital and retrieval medicine
Rural emergency skills training
Rural health policy
Rural response to the opioid crisis

Social determinants of health for rural people
Rural emergency obstetrics training
Pharmacy and prescription drugs
Healthcare access in rural communities
Rural hospitals
Community vitality and rural healthcare
Advanced life support
Mental health
