

# CALL FOR PAPERS

**ICRMWP 2020**  
**Mar 12-13, 2020**  
**Miami, USA**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRMWP 2020 : International Conference on Rural Medicine, Wellness and Prevention is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rural Medicine, Wellness and Prevention. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rural emergency preparedness and response  
Rural wellness and prevention  
Rural primary care  
Rural anaesthetic crisis management  
Rural emergency medicine  
Pre-Hospital and retrieval medicine  
Rural emergency skills training  
Rural health policy  
Rural response to the opioid crisis

Social determinants of health for rural people  
Rural emergency obstetrics training  
Pharmacy and prescription drugs  
Healthcare access in rural communities  
Rural hospitals  
Community vitality and rural healthcare  
Advanced life support  
Mental health
