

# CALL FOR PAPERS

**ICBBPE 2020**  
**Mar 19-20, 2020**  
**Prague, Czechia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBBPE 2020 : International Conference on Bioscience, Biochemical and Pharmaceutical Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Bioscience, Biochemical and Pharmaceutical Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Bioscience, Biochemical and  
Pharmaceutical Engineering  
Aerobiology  
Affective neuroscience  
Agriculture, Forestry and Life  
Sciences  
Anatomy  
Astrobiology  
Biobehavioral science  
Biochemistry and Molecular Biology  
Biocomputers  
Biocontrol  
Biodynamics  
Bioinformatics  
Biological and Biomedical Sciences

Biological and Medical Physics,
