

CALL FOR PAPERS

ICBNM 2020
Mar 19-20, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBNM 2020 : International Conference on Botanical and Natural Medicines is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Botanical and Natural Medicines. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Herbal medicines: challenges and regulations
Herbal drugs discovery and development
Using herbs and herbal remedies for home health
Quality control of herbal drugs
Advantages of herbal supplements over modern medicine
Herbal drugs and formulations
Anti inflammatory herbs
Herbs for anxiety
Smoking herbs
Fertility herbs

Adoptogenic herbs
Herbal hair products
Herbal vitamins
Herbal cigarettes
Healing herbs
