

CALL FOR PAPERS

ICCSGE 2020
Mar 19-20, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCSGE 2020 : International Conference on Concrete, Structural and Geotechnical Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Concrete, Structural and Geotechnical Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Civil Engineering and Geosciences
Concrete Engineering
Coastal and Harbor Engineering
Computational Methods in Civil
Engineering
Construction Engineering and
Management
Engineering Materials
Geotechnical Engineering

Hydraulic Engineering
Structural Engineering
Earthquake Engineering
Engineering Seismology
Transportation Engineering
Geomatics Engineering
Geological Engineering
