

CALL FOR PAPERS

ICEDI 2020
Mar 19-20, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEDI 2020 : International Conference on Engineering, Design and Innovation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Engineering, Design and Innovation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Product Innovation
Reverse Engineering
Green Design and Sustainability
Design for Automation and
Intelligent Systems
Material In Design
Design for Mechatronics Systems
Composite Product Design
Design for Manufacturing Systems
CAD,CAM and CAE
Operations Management
DMFA

Features Based Technology
DMFE
Supply Chain Management
Reliability in Design
Logistics
Ergonomics In Design
Material Handling
Virtual Engineering
Warehousing
Concurrent Engineering
Global Manufacturing Management
