

CALL FOR PAPERS

ICICS 2020
Mar 19-20, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICICS 2020 : International Conference on Intelligence and Counterterrorism Studies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Intelligence and Counterterrorism Studies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Intelligence studies
Military operations
Safety and defense management
Research, analytics, and written communication
Intelligence communications
Strategic intelligence
Intelligence analysis and collection
Fundamentals of intelligence analysis

Intelligence techniques, including espionage and counterespionage
Threat analysis
Homeland security
National security issues of the 21st century
Foreign intelligence communities
Criminal intelligence, terrorism, and cyberwarfare
Area studies for Asian, Latin American, or the Middle East
