

# CALL FOR PAPERS

**ICMPP 2020**  
**Mar 19-20, 2020**  
**Prague, Czechia**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMPP 2020 : International Conference on Marine Policy and Planning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Marine Policy and Planning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Marine policy	Personal injuries to passengers
Ocean policy studies	Maritime liens and mortgages
International, regional and national marine policies	Salvage and treasure salvage
Institutional arrangements for the management and regulation of marine activities	Stevedoring
Fisheries and shipping	Marine insurance
Conflict resolution	Warehousing and security services
Marine pollution and environment	Contracts of agency
Admiralty law	Contracts of carriage
International maritime standards	Shipping
Maritime litigation and regulation	Freight rate
International maritime law and regulation	Marine insurance
International conventions and organizations	Marine salvage
Maintenance and cure	Maritime lien
