

CALL FOR PAPERS

ICMR 2020
Mar 19-20, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMR 2020 : International Conference on Metaphysics and Rationalism is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Metaphysics and Rationalism. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Metaphysics	Being and ontology
Metaphysics and epistemology	Identity and change
Central questions	Causality and time
Being as such, first causes, unchanging things	Necessity and possibility
Categories of being and universals	Cosmology and cosmogony
Substance	Mind and matter
The problems of metaphysics	Determinism and free will
Modality	Religion and spirituality
Space and time	Metaphysics in science
Persistence and constitution	Rejections of metaphysics
Causation, freedom and determinism	History of metaphysics
The mental and physical	Pre-Socratic metaphysics in Greece
The methodology of metaphysics	Socrates and Plato
