

CALL FOR PAPERS

ICNCP 2020
Mar 19-20, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNCP 2020 : International Conference on Neoplastics in Clinical Pathology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Neoplastics in Clinical Pathology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Non neoplastic and neoplastic
Neoplasms
Clinical pathology and
chemotherapy
Prognostic value and clinical
pathology
Neuropathology and tumors
Clinical pathology findings in
clinical diseases
Non-clinical toxicology testing in
clinical pathology
Clinical pathology implications in
cancer patients
Clinical pathology and diagnostic
testing
Molluscum contagiosum
Advanced molecular testing
Dermatopathology diagnosis
Skin histopathology

Dermatopathology in forensic
autopsy
Neoplastic and inflammatory
diseases
Merkel cell carcinoma
Cutaneous B-cell and T-cell
Lymphomas
Immunophenotyping
Molecular techniques in
hematopathology
Hematopathology of lymphoma
Therapy related neoplasms in
hematopathology
Molecular genetic pathology
Drug development
Molecular disease mechanisms
Integrated disease management
strategies
Molecular diagnostics and
therapeutics
