

CALL FOR PAPERS

ICPSEV 2020
Mar 19-20, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPSEV 2020 : International Conference on Propulsion Systems of Electric Vehicles is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Propulsion Systems of Electric Vehicles. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Propulsion systems of electric vehicles
Electrically propelled vehicles
Hybrid electric vehicles
Battery-powered vehicles
Fuel cell vehicles
Electric buses
Traction motor
Electric machines for electric vehicles

Battery pack
Batteries for electric vehicles
Fuel cell system
Motor drives
Power electronics for electric vehicles
Multiple energy sources
Energy management
Drive train
