

CALL FOR PAPERS

ICSB 2020
Mar 19-20, 2020
Prague, Czechia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSB 2020 : International Conference on Sustainable Building is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sustainable Building. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Urban Planning
Urban Development
Architectural Design and Planning
Architecture, Urban Planning and Design
Sustainable Buildings
Sustainable Infrastructure

Sustainable Communities
Energy Efficiency and New Sources of Energy
Water Efficiency and Management
Materials and Resources
Disaster Risk Management and Business Continuity Planning
Governance and Regulation
