

CALL FOR PAPERS

ICITBA 2020
Mar 02-03, 2020
Rio de Janeiro, Brazil

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICITBA 2020 : International Conference on International Trade and Business Administration is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of International Trade and Business Administration. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

International trade	Open economy macroeconomics
Investment regimes and rules	Development and trade
Global supply chains, labor and investment markets	Foreign direct investment and trade
The new international trade and investment rules	Transnational corporations and trade
International trade policy	Emerging markets
International trade theory	National and regional studies
Multilateral trade regimes	Commercial policy
Globalization	International institutions
Exchange rates and currency markets	International financial markets and institutions
