

CALL FOR PAPERS

ICABPT 2020
Mar 05-06, 2020
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICABPT 2020 : International Conference on Agricultural Biotechnology and Plant Transformation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Agricultural Biotechnology and Plant Transformation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Plant Transformation and
Biotechnology
Agrobacterium and Other Methods of
Transformation
Transformation of Important Crops
Plant Transformation Tools:
Vectors, Promoters and Markers

Plant Transformation Tools: Marker
Free Technologies
Plastid Transformation and
Molecular Pharming
Breakthrough Technologies: News in
Gene Targeting
Plant Transformation and Public
Health
