

CALL FOR PAPERS

ICADCT 2020
Mar 05-06, 2020
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICADCT 2020 : International Conference on Architectural Decoration and Construction Techniques is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Architectural Decoration and Construction Techniques. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Architectural decoration
Sculpture, polychromy and architectural decorations
Technology and theory in contemporary architectural decoration
Construction management of architectural decoration
Mathematics in art and architectural decoration

The role of decoration in interior design
History of architectural decoration
Ornamental art and architectural decoration
Architectural decoration, design and engineering
