

CALL FOR PAPERS

ICPLBA 2020
Mar 05-06, 2020
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPLBA 2020 : International Conference on Psychology, Learning and Behaviour Analysis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Psychology, Learning and Behaviour Analysis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Behavioural sciences	Active learning
Psychology and psychobiology	Passive learning
Psychological behaviourism	Associative learning
Human and animal behavior	Meaningful learning
Behaviourism	Informal learning
Behaviour analysis	Formal learning
Scientific analysis of various dimensions of behavior	Nonformal learning
Systematic analysis and investigation of human and other animal behavior	Results of a period of learning
Behaviour chain	Processing of stimuli
Behaviour genetics	Behavioral approaches
Behaviour and learning	Aversive stimuli
Habituation	Positive reinforcement and negative reinforcement
Sensitization	Conditioned stimuli and conditioned response
