

# CALL FOR PAPERS

**ICUTS 2020**  
**Mar 05-06, 2020**  
**Rome, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUTS 2020 : International Conference on Urban Transformations and Sustainability is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Transformations and Sustainability. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Urban Transformations and  
Sustainability  
Governance and Planning  
Innovation and Competitiveness  
Lifestyle and Consumption  
Resource Management  
Climate Mitigation and Adaptation  
Transport and Accessibility
