

# CALL FOR PAPERS

**ICATAC 2020**  
**Apr 16-17, 2020**  
**Cape Town, South Africa**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICATAC 2020 : International Conference on Antibiotic Therapy and Antimicrobial Combinations is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Antibiotic Therapy and Antimicrobial Combinations. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Antibiotic therapy  
Antibiotic therapy management  
Use of antimicrobial combinations  
Selection of antimicrobial agents  
Infection control  
Adult antimicrobial dosing

Pediatric antimicrobial dosing  
Continuing antibiotic therapy  
Duration of antimicrobial therapy  
Assessment of response to treatment  
Adverse effects of antimicrobial agents
