

CALL FOR PAPERS

ICCEA 2020
Apr 16-17, 2020
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCEA 2020 : International Conference on Cost Engineering and Applications is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cost Engineering and Applications. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- Cost engineering
- Quantity surveying and cost engineering
- Cost estimating
- Cost planning and scheduling
- Cost progress and cost control

- Project management
- Economic analysis
- Statistics, probability and risk
- Cost estimate and schedule risk analysis
- Cost engineering system tools and services
