

CALL FOR PAPERS

ICECAAI 2020
Apr 16-17, 2020
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICECAAI 2020 : International Conference on Electromagnetic Compatibility Applications of Artificial Intelligence is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Electromagnetic Compatibility Applications of Artificial Intelligence. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

EMC in IoT applications
Power electronics EMC
IC-level EMC
System level EMC
Electromagnetic interference

Electromagnetic compatibility
EMC simulations
EMC measurements
EMI mitigation techniques
EMC applications of Artificial
Intelligence/machine learning
