

# CALL FOR PAPERS

**ICIIBT 2020**  
**Apr 16-17, 2020**  
**Cape Town, South Africa**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIIBT 2020 : International Conference on Industrial Internet and Business Transformation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Industrial Internet and Business Transformation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Industrial Internet of Things  
Industrial cyber-physical systems  
Industrial big data and artificial intelligence  
Industrial communication and networking technologies  
Industrial cloud and edge computing

Industrial robotics and autonomous systems  
Data management and analytics  
Security, privacy, and trust  
Real-time, reliability, and safety  
Applications, testbeds and case studies
