

# CALL FOR PAPERS

**ICNCDM 2020**  
**Apr 16-17, 2020**  
**Cape Town, South Africa**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNCDM 2020 : International Conference on Nursing Care Delivery Models is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nursing Care Delivery Models. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nursing care delivery models  
Characteristics of nursing care delivery models  
The perioperative environment  
Nursing competencies  
Roles and professional knowledge  
Applicability, replicability and flexibility

Patient safety and quality  
Nursing models  
Components of nursing modeling  
Nursing care delivery systems  
Practice models
