

# CALL FOR PAPERS

**ICOPOD 2020**  
**Apr 16-17, 2020**  
**Cape Town, South Africa**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICOPOD 2020 : International Conference on Organizational Psychology and Organizational Development is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Organizational Psychology and Organizational Development. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:
