

CALL FOR PAPERS

ICPPO 2020
Apr 16-17, 2020
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPPO 2020 : International Conference on Postharvest Physiology of Ornamentals is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Postharvest Physiology of Ornamentals. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cut flowers and foliage
Senescence
Abscission
Pigmentation
Pathogens control

Water relations
Gravitropic bending
Vase/shelf life
Plant hormones
Carbohydrates
