

CALL FOR PAPERS

ICRNFE 2020
Apr 16-17, 2020
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRNFE 2020 : International Conference on Rehabilitation Nursing and Family Education is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Rehabilitation Nursing and Family Education. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Rehabilitation nursing
Prevention, intervention, and outcomes
Theory and practice models
Ethical and legal issues
Research-based rehabilitation nursing practice
Family education
Pediatric rehabilitation nursing
Gerontological rehabilitation nursing
Restoration and rehabilitation
Patient safety for persons with disability

Roles and responsibilities
The rehabilitation process
Rehabilitation settings
Psychological issues in rehabilitation
Evaluating rehabilitation services
Rehabilitation of orthopaedic patients
Stroke care
Rehabilitation of patients with an acquired brain injury or a degenerative neuromuscular disorder
Supporting people with long-term conditions
