

CALL FOR PAPERS

ICRT 2020
Apr 16-17, 2020
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRT 2020 : International Conference on Residential Tourism is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Residential Tourism. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Residential tourism
Issues and challenges in
residential tourism
Sustainable development in
residential tourism
Residential tourism and lifestyle
migration

The conceptual dimensions of
residential tourism
The economic impacts of residential
tourism
Residential tourism in coastal
areas
Sociological approaches to
residential tourism
