

CALL FOR PAPERS

ICSDMSPAPPDA 2020
Apr 16-17, 2020
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSDMSPAPPDA 2020 : International Conference on Smart Decision-Making Systems for Precision Agriculture and Post-Process Data Analysis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Smart Decision-Making Systems for Precision Agriculture and Post-Process Data Analysis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Data processing and data analysis
in the spatial and temporal
domains
Decision support
Delineation of potential management
zones

Agricultural internet of things
(IoT)
Agro big data
Efficient sampling methods in
forecasting tasks
