

CALL FOR PAPERS

ICSEE 2020
Apr 16-17, 2020
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSEE 2020 : International Conference on Science Education and Equity is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Science Education and Equity. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Equity in science education
Learning as a cultural process
Relating culture to prior
knowledge

Rethinking diversity: hybrid
language practices in classrooms
Supporting native science and ways
of knowing in science education
Professional development to support
culturally relevant science
teaching
