

CALL FOR PAPERS

ICTKS 2020
Apr 16-17, 2020
Cape Town, South Africa

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTKS 2020 : International Conference on Technology, Knowledge and Society is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Technology, Knowledge and Society. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Technology, Knowledge and Society
Technologies for Human Use
Technologies for Participatory
Citizenship
Technologies for Autonomous
Communities

Technologies for New Learning
Technologies for Common Knowledge
Technologies for Development
