

# CALL FOR PAPERS

**ICCED 2020**  
**Apr 24-25, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCED 2020 : International Conference on Crop Evapotranspiration and Drought is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Crop Evapotranspiration and Drought. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Evapotranspiration  
Crop water requirements  
Remote sensing  
Satellites  
Drones  
Multispectral  
Thermal infrared

Irrigation  
Drought  
Biophysical modeling  
Watersheds  
Decision support tools  
Soil moisture
