

# CALL FOR PAPERS

**ICHRE 2020**  
**Apr 24-25, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHRE 2020 : International Conference on Human Rights and Environment is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Human Rights and Environment. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Abduction and Detention  
Arms Control  
Arts and Cultural Life  
Censorship  
Children and Youth  
Civil Rights  
Colonialism and Post-colonialism  
Corporate Social Responsibility  
Crimes Against Humanity
