

# CALL FOR PAPERS

**ICITMT 2020**  
**Apr 24-25, 2020**  
**Istanbul, Turkey**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICITMT 2020 : International Conference on Innovative Teaching Methods for Teachers is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Innovative Teaching Methods for Teachers. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Innovative methods in teaching  
Innovative teaching methods  
Innovative teaching strategies for teachers  
Active learning  
Teaching through art  
New technologies in teaching

Field research in teaching  
Students' involvement in teaching  
Teaching with technology  
Social media in to education
