

CALL FOR PAPERS

ICSM 2020
Apr 24-25, 2020
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSM 2020 : International Conference on Scientific Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Scientific Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Scientific management
Frederick Taylor and scientific
management
Principles of scientific
management

Applications of scientific
management
Critiques of taylorism
