

CALL FOR PAPERS

ICUDQS 2020
Apr 24-25, 2020
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUDQS 2020 : International Conference on Urban Design and Quantity Surveying is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Design and Quantity Surveying. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- | | |
|---|--|
| Urban engineering and quantity surveying | Procurement advice |
| Cost control | Preparing bill of quantities |
| Value engineering | Monitoring budget |
| Coastal engineering | Preparation of payment invoice and certification |
| Computational mechanics | Assessment of variations |
| Cost planning | Dispute resolution |
| Advice on cost limits and budgets | Preparing feasibility studies |
| Bridge engineering | Valuation for insurance purposes |
| Building structure and bridge engineering | Project management |
| Building technology | Advice on contractual disputes |
| Cartography and geographic information system | Preparation of final account |
| Contracts negotiation | |
