

CALL FOR PAPERS

ICUEED 2020
Apr 24-25, 2020
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUEED 2020 : International Conference on Urban Economics and Economic Development is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Economics and Economic Development. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Urban economics
Urban economic theory
Market forces in the development of cities
Land use
Economic policy
Transportation and economics
Housing and public policy
Government expenditures and taxes

Urbanization in developing countries
Urban spatial structure
Urban sprawl and land-use controls
Housing demand and tenure choice
Housing policies
Local public goods and services
Urban quality-of-life measurement
