

# CALL FOR PAPERS

**ICABSE 2020**  
**Apr 16-17, 2020**  
**Lisbon, Portugal**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICABSE 2020 : International Conference on Advanced Building Services Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Building Services Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Building services engineering  
Building services, engineering,  
research and technology  
Communication lines, telephones and  
it networks  
Energy supply: gas, electricity and  
renewable sources  
Escalators and lifts  
Fire detection and protection  
Heating, ventilation and air  
conditioning

Lightning protection  
Low voltage systems, distribution  
boards and switchgear  
Natural lighting and artificial  
lighting, and building facades  
Security and alarm systems  
Ventilation and refrigeration  
Water, drainage and plumbing
