

CALL FOR PAPERS

ICWCCE 2020
Apr 16-17, 2020
Lisbon, Portugal

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWCCE 2020 : International Conference on Wellness Coaching and Client Emotions is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Wellness Coaching and Client Emotions. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Health and wellness coaching
Emotional wellness and mental health
Stress management
Client emotions and energy
Health condition management
Health education and community wellness
Work and life balance
Mind-Body medicine and integrative health
Health coaching in primary care

Physical activity and nutrition
Student wellness and career development
Coaching structure and process
Wellness in clinical practice
Worksite wellness
Coaching relationship and communication techniques
Opportunities with wellness coaching in the future
